

## **Let it Snow**

Craft Kit Instructions:

1. Put down newspaper or plastic bag down before painting to avoid painting other surfaces.
2. Open the paint pods and get to painting!  
(Paint one side at a time and let it dry completely)
3. Once you are done painting your ornaments, set aside and let them dry completely for at least an hour before painting the other side.
4. Once you have painted them all, loop the string thru the ornament and tie the end into knot.
5. Hang on your tree!
